

# Your route to Eule

Take the A7 and A215 (from the south) or the A210 (from the north) and follow the signs for Kiel-Zentrum until you reach the end.

Continue for about 1 km until you pass a Shell gas station on the right-hand side.

At the next traffic lights, follow the sign for "Ferries" (Fähren) to the right.

Turn left to enter the street that goes behind the Sparkasse Arena and follow this street until you reach the SEB courtyard entry on the left side of the street.

Park in one of the parking spaces that is marked for Eule.

Alternatively, you can continue straight on past the Sparkasse Arena and turn right after two further sets of traffic lights. To the left, you can then park in the multi-story car park at Karstadt.
